Hand-Carved Olive Wood Gifts from the Holy Land

Proceeds benefit Catholic schools in the Holy Land.

Did you know that 600 Christian families living in Bethlehem are completely dependent on carving olive wood figurines for their livelihood? The recent clashes in the Middle East have stopped the tourism industry in Bethlehem, causing most of those families serious harm in earning their living and forcing many of them to leave their homeland. Emptying the land of Christ from Christians can have tragic consequences on the Holy sites. Ramzi from the "Holy Land Artist" group came to the United States with a mission to help those families by selling their beautiful religious handicrafts. The cost of goods goes to benefit the Christian carvers to keep them working in the spirit of our Lord Jesus Christ. Therefore, the profit from sales goes directly to the needy Catholic schools and clinics in the Holy Land. The Holy Land Artist has been approved by many bishops and dioceses of Jerusalem. Please show your generosity to our Brothers and Sisters in the Holy Land.

Please take a look at those beautiful artifacts.
