Holy Rosary Church Family Room | 4851 Park Avenue, Memphis

SATURDAY | APRIL | 20

The Church, in its 2000+ year history, has always defended human life from conception to natural death, with particular attention to the more fragile stages of existence. However, current efforts to legalize euthanasia place our society at a critical juncture and it is now legal in ten US states and the District of Columbia. Because of the so-called "Right to Die" movement, these efforts have received growing public attention, due to new publications giving advice on methods of suicide and some highly publicized instances in which family members or physicians killed terminally-ill persons or helped them kill themselves. In this presentation, our speakers will provide answers on Assisted Suicide and Euthanasia from the Catholic Church's position and from a pro-life Catholic physician's perspective.
